## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 11/12/2004 has been entered.
2. The indicated allowability of claims 1, 2, 4-9, and 10 is withdrawn in view of 35 U.S.C. 112.

### ***Claim Rejections - 35 USC § 112***

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 1,2, 4-10, 12 and 13 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claims 1, 10, and 12, the processing of denying the location registration (line 12 of claim 1, line 13 of claim 10, and line 3 of claim 12) is not clear in the specification. With reference to the specification page 13, line 16- page 26 and FIG. 5 and 6, it is not clear why the location registration of the base station 31 is denied even if reception level of signal received from the base station 31 is highest and the subscriber unit (SU) 1 is located inside the area 30.

Regarding claim 12, lines 12-13, it is not clear whether the synchronicity is established at same time with all base stations of which location registration is permitted. With reference to specification page 12 lines 23-26 and FIG. 5, the base stations 41 and 42 of which the location registration is permitted and thus, it is not clear whether the synchronicity is established with two base stations 41 and 42 at same time.

***Allowable Subject Matter***

5. Claims 1, 2, 3-10, 12, and 13 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
